Bob Zimpfer
Falcon Receiver

Zimpfer-Wireman Combo Effective

*By Dick Maxwell
Sports Information Office*

When Bob Zimpfer takes his position at split end for his Falcons, opponents know that almost 40 per cent of the BG attack is geared around the pass.

And Zimpfer is a great part of the passing attack.

The Troy, O. native is a senior who made the switch from the Falcon backfield to split end this year. He has developed into quarterback Vern Wireman's most effective target.

Through Bowling Green's nine games to date, Zimpfer has caught 45 passes for 685 yards. Saturday against West Texas, Bob broke one BGSU individual record when he garnered 164 yards breaking the net pass receiving yardage mark of Jack Hecker versus Marshall in 1955.

"I guess teams gear their defenses against our passing game," Zimpfer stated. "But I think it helps in a way, because we, as receivers, concentrate from the beginning of the game knowing that our opponents are pass defense minded."

Zimpfer explains that the switch from wingback was not too difficult because the blocking assignments were essentially the same. When Zimpfer moved to split end, Fred Mathews was moved to wingback and has seen plenty of action at this position.

Between the two of them, Zimpfer and Mathews have received 98 of the 138 completions. Passing is a key to BG's offense this season. Quarterback Vern Wireman has set several BGSU records and Zimpfer has rightly been an important part in Wireman's success through the airway.

Bob has excellent speed and is quick. West Texas threw up a stingy defense during the first half of last weekend's game and BG completed just two passes the whole first half.

In the second half, the Falcons made adjustments and Zimpfer was open ten times and did his part in trying to catch the impressive Buffaloes. In fact, Zimpfer and Wireman got the majority of the "ink" from Texas newspapers, and undoubtedly the Buff defense knew it had to stop that Falcon combination if West Texas was to win.

The Buffalo defense keyed on Zimpfer, but didn't stop him, even after the physical beating that Bob took throughout the game.

"It was my greatest day as a receiver," Zimpfer said. "But I felt like a grandmother who had just fallen down a flight of stairs after the game."

Joe Green, Bowling Green State University's All-American candidate at middle guard, approached the 200 tackle mark for this season during BG game with West Texas State.

Green, a senior from Toledo, collected 10 solo tackles and 12 assists in the Falcon loss. In addition, Joe intercepted a Buffalo pass, returning it 12 yards.

He entered the contest with 176 combined tackles, and with the game total of 22, now stands at 198 tackles with one game remaining.

Green was also named the game's Outstanding Defensive Player Saturday as part of West Texas' Centennial Game celebration.

The "200" tackle circle is a mark reached by a select few each season.

Junior quarterback Vern Wireman from Warren passed for 245 yards against West Texas State Saturday, setting a new career mark for passing yardage.

Wireman, who had already set seven individual records at BGSU, has now collected 2,253 yards in just one and a half seasons as Falcon quarterback. The new yardage mark breaks P. J. Nyitray's record of 2,175. Vern's 23 completions erased Nyitray's mark of 189 as Wireman now has 200.

In addition, the quarterback's 48 attempts cracks his own record of 43 set against Marshall this year.

Don Nehlen and The Falcon Staff

Don Nehlen wrapped up his first season as Bowling Green State University's head football coach after the 1968 campaign and by anyone's standards it was highly successful.

The Falcons compiled a 6-3-1 overall record and finished in a third place tie in the Mid-American Conference with a 3-2-1 slate. In the conference, Bowling Green tripped Western Michigan, Kent State and Marshall while tying Toledo.

Nehlen, who quarterbacked Bowling Green's Falcons from 1955-57 and landed a second team All-Mid American Conference berth during his senior year, replaced Bob Gibson as BGSU's head coach before the 1968 campaign.

Before taking over as head coach, Nehlen served as Bowling Green's defensive coordinator for three years and turned in a fine record. In three seasons, his defensive squads yielded only 361 points in 28 games for an average of slightly under 13 points a game. His teams recorded six shutouts.

During his years as a player at Bowling Green, Nehlen played under Bowling Green's current Athletic Director Doyt L.

Perry. Perry said "Nehlen was a quarterback on my first team at Bowling Green. His enthusiasm, spirit and energy were contagious at that time and they have continued throughout his coaching career. I am confident that Don will make a fine football coach for Bowling Green."

Nehlen is Bowling Green's 11th head football coach in the Falcons 51-year intercollegiate history. He is only the second, Doyt Perry being the first, Bowling Green player to return to his alma mater as head coach.

In his three seasons as Bowling Green's signal caller, Nehlen took to the air 163 times and completed 80 for 1,173 yards and 11 touchdowns. He also scored six touchdowns for a total of 36 points while rushing 132 times for 271 yards.

During his entire coaching career, Nehlen has had nothing but success. After graduating from Bowling Green in June of 1958, Nehlen became the reserve football coach at Mansfield Senior High School.

From 1959-1962, Nehlen was the head football coach at Canton South High School where his teams recorded a 24-11-

2 record. Nehlen won two titles and tied for another in the Stark County Class AA League in four years.

In 1963, Nehlen was at the University of Cincinnati as backfield coach. In 1964, he returned to the high school ranks as the head coach at Canton McKinley High School. That year, his squad compiled a 9-1 record and finished second in the state. His overall high school record was 33-12-2 and his teams won 24 of their last 27 games.

Nehlen graduated from Canton Lincoln High School in 1954 where he lettered for two years as a quarterback and landed All-City and All-County honors. He also earned a total of seven letters in basketball and baseball and was voted as the Outstanding Athlete in Lincoln's 1954 graduating class.

Nehlen, age 33, received his Bachelor of Science in Education degree from Bowling Green in 1958 and then earned a Masters Degree at Kent State University in 1965.

He married the former Merry Ann Chopson in 1958 and has two children, Danny and Vicky.

BG COACHES—Left to right in the front row are Jim Ruehl, head coach Don Nehlen and Bob Dudley. Standing in the back row are Elliot Uzelac, Carlos Jackson, Jack Harbaugh, Tom Reicosky and Tom Kisselle.

CHANGE IS IN THE WIND

Shaped in a wind tunnel...
Refined by the wind
at Daytona, Riverside, and Darlington.
Wind-shaped. Aerodynamic. Made to move.

1970 FORD TORINO

The most completely changed new cars of the year—Torino. New size. Longer. Lower. Wider. Quick and quiet. New shape. Shaped in a wind tunnel for a new, low-drag silhouette.

Torino Brougham. Here's the one that has it all. Distinctive new grille with Hideaway Head-

lamps. New interiors to surround you with luxury. More luxurious than any other car in its class. Top performance from a choice of five new V-8's, including the super efficient 351-cu. in. 4V. Top it all off with a glamorous vinyl-covered roof. Torino Brougham—sweeping its class.

1970 Torino Brougham 2-Door

More luxurious than any other car in its class. One of the 13 new 1970 Torino models—the most completely changed new cars of the year.

TORINO

Things
go better
with Coke.

Valiant Duster 340

Plymouth GTX

Dodge Challenger

Plymouth Barracuda

Dodge Charger 500

**OUR
SPORTS PROGRAM
FOR
THIS SEASON**

Chrysler weather has arrived. Falling leaves take off on the wind—and our 1970 Chrysler Corporation lineup takes the field.

For a starter, Plymouth 1970 makes it with the Rapid Transit System: The fabulous Barracuda Series. Valiant Duster 340. And the imperturbable Plymouth GTX.

Or you could be Dodge material. Find out

with a run in the cars with the bumblebee stripe: The Challenger. Charger 500. Dart Swinger 340. Coronet Super Bee.

The loaded lineup. Performance on wheels, waiting for the moment you take over.

And while you're thinking about it—relax, sit back and enjoy the game.

**CHRYSLER
CORPORATION**

BOWLING GREEN STATE UNIVERSITY'S FALCON CLUB

"Perpetuating Bowling Green Athletic Tradition"

A RECORD OF BALANCED ACHIEVEMENT

The goals of the Bowling Green State University athletic program are competitive excellence, top-notch facilities, and full opportunity for its student-athletes to seek a balanced education. Past records prove that one of the finest athletic staffs in the nation has done a remarkable job of achieving these goals.

The skill and personal integrity of Bowling Green's coaches are well known to both the general public and the coaching profession. Bowling Green's athletic teams compete successfully with the nation's best. It is this type of competition that fosters the self-confidence, poise, determination, and team spirit which are so vital to leadership.

Bowling Green takes great pride in its present athletic program, and continually strives for improvement. We hope you will join with

us in our efforts to fulfill these goals.

THE PURPOSE

In athletics, as in everything it undertakes, Bowling Green State University seeks to excel. For over 50 years Bowling Green has sponsored a fine intercollegiate athletic program and for the past five years the Falcon Club has made an important contribution to the success of this program. The benefits of the Falcon Club are both short and long range. The immediate benefits are the financial help it provides to young men with athletic talents in their pursuit of an education. The long-range benefits are perhaps less identifiable, but are frequently more valuable. The majority of these student athletes have used their education to make a greater contribution to the progress of our state and nation. This is the type of athlete that the Falcon Club can assist in bringing to our campus.

OBJECTIVES

- ☐ To encourage young men with academic, athletic and leadership abilities to attend the University.
- ☐ To assist in bringing these students to the campus.
- ☐ To contribute to the athletic grant-in-aid program.
- ☐ To promote Bowling Green's athletic teams and athletes whenever and wherever the opportunity arises.

23,000 Students Roam Growing Northern Illinois

Located in DeKalb, a city of 34,000 residents some 65 miles west of Chicago and 35 miles southeast of Rockford, Northern Illinois University today bears little resemblance to its earliest predecessor, a tiny state normal school opened 70 years ago in the midst of rich prairie corn fields.

Originally, there were 241 students and 14 faculty members. Altgeld Hall, a castle-like structure named for the governor in office at the time, was the only building on the new campus.

Today, Northern is still bordered by corn fields and the city, in fact, has become world famous because of a brand of seed corn bearing the same name.

There are enormous changes, however.

Northern now has some 23,000 students and 1,400 faculty members. Altgeld Hall has been joined by 38 other major buildings and numerous small structures. High-rise dormitories and other modern towers soar far above the campus, which now spreads over 417 acres along the Kishwaukee River on the western edge of DeKalb.

In addition, NIU's Lorado Taft Field Campus occupies a 144-acre site on the Rock River near Oregon, Illinois, about 35 miles west of DeKalb. The heavily wooded branch campus, which is adjacent to a state park, is used to provide first-hand experiences in outdoor teacher education.

Originally Northern Illinois State Normal School, Northern at first awarded only two-year diplomas while quickly gaining a reputation for excellence in teacher education. In 1921, the name was changed to Northern Illinois State Teachers College and four-year programs were instituted. In 1955, four years after the establishment of a graduate school, the name was changed again, this time to Northern Illinois State College. Finally, in 1957, the present name was adopted as graduate programs gained added importance.

The next decade brought fantastic

growth. In 1957, enrollment was 4,744. In 1967, it topped 18,000.

Also in 1967, the state established the Regency universities system. Under the Board of Regents, which also governs Illinois State University at Normal and the new Sangamon State University at Springfield, NIU was given the primary mission of developing graduate programs leading to the doctorate in liberal arts and science areas.

With this role, Northern remains one of the fastest growing universities in Illinois, now ranking as the third largest in the state, second largest in terms of combined on-campus and extension enrollments for a single campus.

NIU's instructional services are administered under six major divisions—the College of Liberal Arts and Sciences, College of Fine and Applied Arts, College of Education, College of Business, the Graduate School and the College of Continuing Education, which provides extension classes throughout northern Illinois and also runs the university's extensive evening and adult education courses. More than 100 programs of study are offered, leading to five undergraduate degrees and nine advanced degrees and certificates.

Since 1921, when first authorized to award four-year degrees, Northern has awarded more than 29,000 degrees. The majority of graduates traditionally have gone into teaching, but the percentage is dropping steadily as other programs expand and last year represented only half of the bachelor degree graduates.

NIU offers a wide variety of extra-curricular activities for students and lists over 100 social and honorary organizations, including 21 social fraternities and 14 sororities. Traditionally, the most important all-campus activities are Homecoming, Winter Carnival and May Fete, although a myriad of other events are held throughout the year. Northern's ultra-modern \$10 million University Center

Richard W. (Doc) Urich
NIU Coach

serves as a student union and convention and conference center for northern Illinois with varied facilities and numerous programs bringing prominent musicians, political figures, scholars and others to the campus for guest appearances.

The university's athletic teams, known as the "Huskies," are recognized by the NCAA in the University Division in 11 varsity sports. NIU's home stadium has a permanent seating capacity of 15,550 although with bleachers the capacity can be expanded to more than 22,000. AstroTurf recently was installed to permit use of the artificially illuminated field from morning until evening for many purposes other than football. The school colors are cardinal and black.

Although the university is not a member of an athletic conference at present, the Board of Regents recently authorized NIU to pursue an affiliation with several other Midwestern state universities to create a major bracket conference. Under the plan, universities forming the new conference would cooperate in academic programs and other areas as well as athletically.

With projections indicating a possible enrollment of more than 35,000 students by 1980, the ratio of upperclassmen and graduate students to freshmen and sophomores is expected to increase dramatically. To meet the demands of the future, the university is contemplating establishment of more than a score of additional doctoral programs in the next decade while also attempting to find new ways to make education more relevant and more personalized despite continued expansion.

CHEER FOR BOWLING

ALMA MATER

Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.

Time will treat you kindly
Years from now you'll be
Ever dearer in our hearts,
Our University.

From your halls of ivy
To the campus scene,
Chimes ring out with gladness
For our dear Bowling Green.

When all is just a mem'ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.

WBGU-FM	88.1 fm	Bowling Green

Football fans in four states, Ohio, Michigan, Indiana and Pennsylvania, will be able to listen to the 1969 football Falcons.

Paced by WFOB's seven-station network, Bowling Green State University football will be aired by nine Ohio radio stations that can be heard throughout a four-state area.

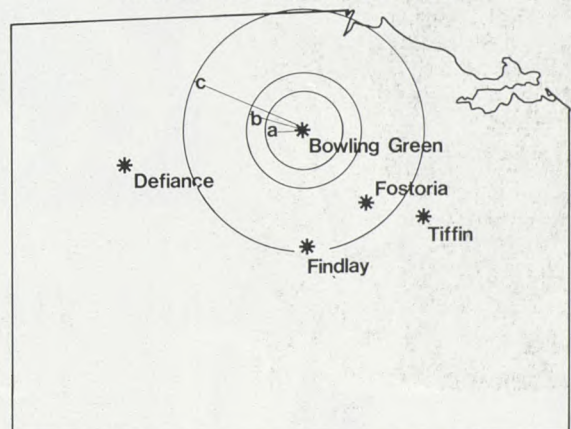

This season, WFOB's network will include WONW, Defiance, WBCO, Bucyrus, WNOB, Newbury, WFRO, Fremont, WTOD,

Toledo, and WERT, Van Wert. WAWR, Bowling Green, and WBGU, the Bowling Green State University station, will also be airing the Falcons' 1969 games.

Veteran broadcaster Dave Carr will be in front of the mike for the WFOB network while Terry Shaw will be handling the play-by-play work for WBGU. Terry Waltz will be the main voice of WAWR.

The University's television, WBGU, will be increasing the Falcons' coverage by taping Saturday's home games and then replaying them on Sunday evening. Tom Willett will be the voice of the Falcons for WBGU-TV.

Please, Oh Please, No Overtimes ...

Jim Connally

Dan Meyer

Jim Penix

Mark Hennessey

Bob Quayle

Beginning his second year as head basketball coach at Bowling Green State University, Bob Conibear will head into the season with a more experienced corps of players than those he inherited last year.

The Falcons and Conibear had to settle for a 9-15 record in 1968-69, but five of the losses were in overtime.

This season Conibear will be working with four of the starting five from the past campaign. Pacing this group is Jim Connally, a 6-7 junior center from Detroit Pershing.

Connally had an outstanding sophomore year as he compiled a 14.5 scoring average while garnering 10.4 rebounds per contest. He also connected on 53.8 per cent of his shots from the field.

Dan McLemore, a senior forward from Toledo Libbey, also returns. McLemore was voted the team's Most Valuable Player in 1968-69. He averaged 13.6 points a game and 10.5 rebounds.

Jim Penix, a 6-4 sharpshooting forward from Rossford, and Rich Walker, a 6-3 guard from Inkster, Mich., will most likely get a starting nod, as they did last season. Also a good bet to see plenty of action for BGSU this year is the '68-'69 freshman's leading scorer, Lee Henson, a 6-4 forward who averaged 23.1 points a game.

Worthington High School product Bob Hill, a 6-5 junior guard-forward, may be able to break into the starting five. Hill averaged 2.8 points a game, and could be the "sixth" man of the Falcons.

Bowling Green again plays a rugged schedule with two Christmas tournaments. On Dec. 26-27, the Falcons journey to the Carolina Classic in Greensboro, N. C. to play Southern Illinois, Harvard and North Carolina. The other tourney on Dec. 29-30 is the Motor City Classic in Detroit, with entries from the University of Detroit, Minnesota, and Pittsburgh.

Break your beard in right.

Right now your beard is in the formative stage.

You can shave it with a razor blade like your father does. And each time you do your beard will grow back a little more difficult. Until one day shaving's no longer a chore. It's an agony.

Look no further than your father's face for proof.

But fortunately, you're catching your beard at an early age. You can break it in to be just as shaveable 10 and 20 years from now as it is today.

With a REMINGTON® shaver.

And if you think the kind of shave we're selling won't be close enough for you, you're wrong.

Our new blades are sharper than anything that's been in an electric shaver before. And there's a dial that lets you adjust them for your skin and beard.

What's more, you can dial a REMINGTON electric shaver into a sideburn trimmer.

Admittedly, it costs more to buy our electric shaver than a razor and some blades.

But it's a good investment.

These next few years will determine how you and your beard will get along for the rest of your lives.† SPERRY RAND® ©1969 S. R.

"Falcon Sports Coverage At Its Best"

Invites Fans To Select The Outstanding Falcon Lineman And Back Of The Year!

FAN CHOICE FOR THE MIAMI GAME

OUTSTANDING LINEMAN

Joe Green

OUTSTANDING BACK

Vern Wireman

Each week this season that the Falcons have played at home, fans have had the opportunity of selecting the outstanding back and lineman. Now, you have a chance of selecting the outstanding back and lineman of the year. Cast your vote on the inserted ballot for the back and lineman you feel has performed most satisfactorily during the 1969 season. Then drop the ballot in one of the ballot boxes as you leave the stadium. Read next Tuesday's Daily Sentinel-Tribune to find out who the fans feel are the Falcons' Best of the season.

The Falcon Club

Backers Of Athletics

In athletics, as in everything it undertakes, Bowling Green State University seeks to excel. For over 50 years Bowling Green has sponsored a fine inter-collegiate athletic program, and for the past six years the Falcon Club has made an important contribution to the success of that program.

The overall goals of the Falcon Club are to perpetuate Bowling Green athletic tradition and to promote Falcon teams and athletes whenever and wherever the opportunity arises.

The Falcon Club currently numbers 450 men who believe in the values of an outstanding athletic program. We hope you will join us in our efforts to keep Bowling Green in the championship class.
